## Because Life's Too Short Without Purpose

We are inviting you to travel to Kenya with a very special lady, Roz Berry, resident of Newport Beach, CA, and Director of the African Child Foundation, a non-profit run by volunteers to meet the needs, and transform the lives, of orphaned and vulnerable children. Roz will take you to meet Father Henry and the children from Fanaka and Mt.Olive schools in Nairobi. Put smiles on their faces as you volunteer one morning at school, and another at the Nairobi animal orphanage. These children have never seen an elephant or a lion.

The rest of your 7-night trip will be an exclusive Safari with our private guides taking care of you, and answering all your questions. Experience the wildebeest migration on morning and afternoon game drives, a special hot air balloon ride followed by a champagne brunch in the bush, and several visits, including the Kazuri Beads, a factory helping women with employment to support their families. You will also have the opportunity to visit the Karen Blixen museum where *Out of Africa* was filmed.

You will also get a chance to meet and adopt your own orphaned elephant if you so wish. Part of the cost will include a donation to the African Child Foundation.
